DVV Clarification	HEI Response
<p>1. HEI needs to provide the feedback analysis report. HEI needs to provide the filled feedback form from all the stakeholders, feedback form already provided by the HEI indicates that these forms are filled by the HEI, not by the stakeholders. HEI also needs to provide the action taken report and this must be available on the website. HEI also needs to provide the documents regarding communication with the relevant body.</p>	<p>As per the DVV's Suggestion, HEI has collected feedback forms from all stakeholders and conducted a comprehensive analysis of the feedback received. The feedback forms provided have been duly filled by the stakeholders themselves, ensuring authenticity and transparency in the process. Based on the feedback analysis, the HEI has taken appropriate actions, and the detailed action taken report has been prepared and made available on the official website for public access. The DVV may Kindly Accept.</p>
